

7037571 - HYDRO-PRO HEAT PUMP INVERTER, PC R32

7037571 - HYDRO-PRO HEAT PUMP INVERTER, PC R32

NR.	DESCRIPTION	PART NR.
1	Copper pipe support frame 1	
2	Pressure switch	7038177
3	Check valve	
4	Heating belt splint	
5	Heating belt splint 2	
6	Left and right middle beams	
7	Front and rear middle beams	
8	L-shaped plate outside the base	
9	Titanium tube heat exchanger	7038178
10	Electric expansion valve	
11	Filter	
12	Needle valve	
13	Needle valve	
14	Compressor	
15	Triangular plate	
16	Water outlet side plate	
17	Column assembly	
18	Compressor cover side plate 1	
19	Compressor cover side plate 2	
20	Compressor cover plate 1	
21	Compressor cover plate 2	
22	Lower panel	
23	Chassis assembly	
24	Fin sealing plate 2	
25	Titanium tube base	
26	Lower panel	
27	Fin sealing plate	
28	Detachable water tray 4	
29	Detachable water tray	
30	Detachable water tray 2	
31	Detachable water tray 3	
32	Water tray assembly	
33	Finned heat exchanger	
34	Width of air guide ring	
35	Bracket as-motor	
36	DC motor	7038179
37	Axial fan blade	7038180
38	Fan guard	
39	Three-way valve	
40	Three-way valve Y-type	
41	Pressure switch	7038181
42	Top beam assembly	
43	Four way valve	7038182
44	5-bit block	
45	Terminal block	
46	Terminal block	
47	Terminal block	
48	PC1004	7038183
49	Filter board	
50	Cover plate of electrical box	
51	Electrical box lining plate	
52	Electrical box support frame	
53	Electrical box assembly	
54	Mechanical temperature controller	
55	2-bit block	
56	Relay	
57	Inverter board	
58	Flagship copper tube lower splint	
59	Flagship copper tube upper splint	
60	Clapboard of Electric heating	
61	Reactor	
62	Explosion proof box base assembly	
63	AC contactor	
64	Explosion proof box top cover	
65	DC fan drive board	7038184
	Display	7038185
	Wall mounting	7038186
	Extension cable	7038187
	Temp sensor(5K)	7038188
	Temp sensor(50K)	7038189
