

3D premium Collection

Larch

06-09

At the end of a long developing process, we reached a unique design that offers a real challenge to natural wood. Through a complex printing and embossing process we produced a liner that blends right into the Look & Feel of the most upscale swimming pools.

Matrix **Silver**

Our stunning Matrix designs can give a pool the look and feel of real mosaic tiles while providing unparalleled impermeability of leak-free performance.

Our Matrix line includes a pearl and silver layer which produces a dynamic prismatic effect similar to the shine of real glazed mosaic tiles.

Matrix surfaces and the grout in their grooves are protected with an enhanced acrylic coating which provides superior stain resistance and makes them easy to clean.
